I evacuated from 2 miles up Trinity at around 1:30 am. The view was terrifying & I wasn't sure if I could get down. Patches of fires on properties on Trinity, huge fires in several places throughout the Valley. Several houses on Lower Trinity are gone. Fire on Lawndale Rd in Kenwood. Scanner was reporting calls of people trapped in homes in Mark West. When I got to Arnold & Fowler Creek area, huge fire creeping down hill toward Carneros. This is really really bad. Terrifying night!!!
